Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Since being in DDST and not DDA, of course the main DDA courses did not help me, But the courses pertaining to the whole agency in general were all very helpful.

(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

Not particularly in my job
but I'm sure it was helpful
to those in DDA.

- D. Other Comments:

I feel the course as a
whole was very interesting
and very beneficial to my
work. I found out a lot
about the Agency I didn't
realize before. As for the
atmosphere [REDACTED] was
very fine but it is my
suggestion that they cut
out the 4:30 social hour
as you are to full for
dinner and it causes people
to over drink and disrupt
the night sessions. It would
help the night class very
much.
